Priority to Housing and Urban Development

1499 SHRIMATI KAMLA SINHA: Will the Minister of URBAN DEVELOPMENT be pleased to state:

(a) whether Government are considering the need for according highest priority to housing and urban development:

(b) if so, what is the pace of increase in urban population;

(c) whether the problems of health, sewerage and drinking water in urban areas have increased; and

(d) if so, the action taken theron;

THE MINISTER OF STATE IN THE MINISTRY OF URBAN DEVELOPMENT WITH ADDITIONAL CHARGE OF THE MINISTER OF STATE IN THE MINISTRY OF WATER RESOURCES (SHRI P. K. THUNGON): (a) In the 8th Plan document, housing has been recognised as a major economic and employment sector. It has been recognised that urbanisation helps to contribute to the growth process at large. Keeping in view the rising contribution of housing and urban development towards country's RDP, these srctors are accorded priority in 8th Plan.

(b) The pace of growth of urban population varied from 0.35 per cent in the decade 1901—1911 to 46.14 per cent in the decade 1971-81. During the decade 1981-91 however, the increase in urban population was to the extent of 39.19 per cent.

(c) and (d) With the pace of increase of urban population the problems of health sewerage and drinking water in urban areas have also increased. In order to improve environmental conditions prevailing in urban slums, by State Governments have been operating a scheme of Environmental Improvement of Urban Slums. Under the scheme, amenities like water supply, open drains community blocks, community latrines, pavement of streets, lanes and street lighting are provided. This supple- This is supplemented by Central Schemes for Urban Basic Services. In addition, Government is implementing a scheme for Integrated Development of Small and Medium Towns from 1979-80 till 31-12-1992. 817 towns have been covered and central assis-
